ORC-19DF Cordless Rebar Cutter

Made In Japan

The New ORC-19DF battery powered rebar cutter is a unique tool developing high power to cut 20mm rebar easily. The unique cutter head can rotate 360° for awkward site locations to cut rebar on a job site. Ogura's rebar cutters are powered by world famous 'Makita' brand Lithium Ion 18 volt batteries and motor. Weight of the tool is just 10.5kg with a cutting speed of 6 seconds for 20mm high tensile rebar with the high performance hydraulic pressure pump developing 600 Mpa (6000kgf / cm² bar).

Also available models for cutting 13mm & 16mm high tensile rebar.
